

PRESS RELEASE

January 10th 2025

STATEMENT ON AIR ACCIDENT AT MALINDI

Kenya Civil Aviation Authority (KCAA) wishes to confirm that an aircraft registration number 5Y-CDC, crashed 2km from Malindi airport at 1159Z (2.59 p.m).

The aircraft had three people on board who survived and were rushed to the nearest hospital. Meanwhile, regrettably, there were 3 fatalities on the ground. Government agencies are already on site to establish the cause of the accident.

Emile N. Arao,
DIRECTOR GENERAL
Kenya Civil Aviation Authority

Notes to Editor:

Kenya Civil Aviation Authority (KCAA) is the regulatory authority established by the Civil Aviation Act, 2013 as amended in 2016 with the primary functions of regulation and oversight of aviation safety & security; economic regulation of air services and development of Civil Aviation; provision of air navigation services, and training of Aviation personnel. KCAA undertakes these functions guided by the provisions of the Convention on International Civil Aviation, related ICAO Standards and Recommended Practices (SARPs), the Kenya Civil Aviation Act, 2013, and the civil aviation regulations.
