**RESPONSE TO SECOND CLARIFICATIONS SOUGHT BY INTERESTED BIDDERS AFTER THE MANDATORY SITE VISIT FOR PROPOSED CONSTRUCTION OF A PERIMETER FENCE AT CENTRAL TRANSMITTING STATION IN MLOLONGO: TENDER NUMBER KCAA/017/2023-2024:**

	<b>Clarifications Sought by bidders</b>	<b>KCAA's Response</b>
1.	Kindly clarify on Item No. 2.29 under Reinforcement, whether the unit is M2 or M3 as Indicated, as well refer to attached bill of quantities	For item 2.29, sides of ground beams, the unit should be M2 instead of M3, but the quantity remains the same.
2.	<b>Concrete Works (refer - page 66)</b> Concrete 20/15, as described, in:- 2.19 50mm Thick blinding to strip foundation m2 500 2.20 Ditto; to column bases m2 160	For items 2.19 and 2.20 the unit of measure in M2 is correct because the thickness of the blinding concrete (50mm) as specified under bills of quantities.
3.	Closing/Opening Date	All bidders to note that the tender closing/opening date remains as advertised – <b>Wednesday, 4<sup>th</sup> October, 2023 at 11am</b>
